# The Grievance and Complaint's Policy

Issued: January 2019

## Grievance and Complaints Policy

### Terminology

The Term ....	Will hereinafter refer to...
<b>Directors</b>	The Directors of Consortia Training.
<b>Centre Directors</b>	The Directors of Consortia Training Centres
<b>Personnel</b>	Any employees of Consortia Training and/or the funded organisations and partner organisations who are responsible for the delivery or support of Consortia Training Funded Learners.
<b>Partner Organisations</b>	Employers, work placement providers, service providers, support providers, schools or other link organisations utilised for the benefit of Consortia Training Funded Learners.

### Purpose

Consortia Training is fully committed to the provision of support and training within a friendly environment. Wherever possible the vast majority of concerns, complaints or grievances will be dealt with informally within the Consortia Training funded centre. The Grievance or Complaints Policy is to enable all parties that are involved with Consortia Training, the opportunity to lodge a grievance or complaint, in the knowledge they will be treated fairly and their concerns will not be trivialised.

Consortia Training and its funded centres welcome feedback whether negative or positive and will, wherever possible, take on board complaints and use them to continuously develop and improve delivery for the benefit of learners, partners organisations and its own funded personnel.

The Grievance and Complaints Policy has been produced to provide a uniform approach to dealing with grievances or complaints about the Consortia Training Funded Centres and to ensure all matters are dealt with fairly and consistently.

Grievances or Complaints referred to under this policy may be made by any Consortia Training funded centre, its funded personnel, learners, parents or guardians (or under 18 year old learners), or partner organisations involved in the training, assessment and support of Consortia Training funded learners.

**The policy of Consortia Training has been written to combat any form of prejudice or discrimination whilst dealing with grievance or complaints and to fulfil its statutory legal obligations under the:**

**Employment Act 2008** - covering aspects of UK employment law, including dealing with discipline and grievance issues, the enforcement of the national minimum wage, and the employment agency standards enforcement regime.

**The Statutory ACAS Code of Practice** - providing basic practical guidance on discipline and grievance handling in the workplace. The ACAS Code came into effect on 6 April 2009 and replaced the previous ACAS Code on discipline and grievance handling which was issued in 2004. Employment tribunals will take the code into account, when considering relevant cases. <http://www.acas.org.uk/CHttpHandler.ashx?id=1041>

### **Candidate Assessment Appeals Procedure**

It should be noted that Candidate Assessment Appeals are dealt with separately under the Candidate Assessment Appeals Procedure – in line with the appropriate Awarding Organisation.

### **Persons involved**

#### **Directors**

Responsibility for the detailed implementation of this policy rests with the Directors of Consortia Training. In the event of a complaint, being made by one of the Directors, then the link director would be responsible for overseeing the informal stage one, another independent director would deal with the complaint at stage two and all the directors would form a panel at stage three. The director making the complaint can choose to bring independent representation to the panel meeting at stage three. The decision of the panel is final.

Further responsibilities are outlined within the procedure.

### **Procedure**

The recipient of the complaint will clarify the nature of the concern and reassure them that Consortia Training wants to hear about it. They may explain to the complainant how/why a situation occurred. They will also identify at this point, what sort of outcome is being sought.

If the Consortia Training Funded Centre personnel first contacted cannot deal with the matter, or it is clear it is a formal grievance or complaint s/he will make a clear note of the date, complainant’s name, status, contact address, phone number and refer to the appropriate person in line with this policy.
